MULTI-YEAR PROJECTS / IMPACT ON YEAR-END FINANCIALS

A Memo from City Manager Holder was sent to the Mayor and the Commissioners on Friday, August 16th about multi-year projects and their impact on year-end financials. Attached was an illustration of multi-year revenues and expenditures of the Bethel / HCMC Project.

ISO RATING

We have been notified by the Insurance Service Organization that we will be under review in the foreseeable future. However, we need to be aware that the ISO rating is not nearly as significant as it has been in the past due to changes in the insurance companies use to establish their premium bases.

PARKING LOT AGREEMENT

For a number of years the former owner of Take Me Back Café was unhappy about the use of the parking lot directly in front of City Hall, which he owned. He fenced off the north end and asked us to stop the use of the lot by persons conducting business at City Hall.

The new owner does not share the same sentiment and is willing to enter into an agreement whereby he has a dedicated number of spaces and the balance can be used for City Hall business or meeting parking.

We would agree to maintain the lot, mow the grass, pick up the limbs, and patch any potholes in exchange for designating for City Hall Business use.

Staff requests that we be allowed to negotiate an agreement along these lines to be placed in final form by the City Attorney and signed by the Mayor.

After a brief discussion, Commissioner Lackey made a motion which was seconded by Vice Mayor Griffith to allow Staff to negotiate a Lease Agreement and to be signed by Mayor Tharpe. The motion carried unanimously.

LEASE AGREEMENT

Whereas, Steven Scott, "Scott" is the owner of a parking lot identified as Map 106A, Group A, Parcel 12.01, located on Caldwell Street directly across from the front of the Paris City Hall; and,

Whereas, the City of Paris, "City" desires to lease said property from Scott for City Hall business use.

1. **LEASE TERM:** The term of this Lease shall be for one (1) year commencing on September 1, 2013 and ending on August 31, 2014. The Lease shall automatically renew on an annual basis unless Scott or the City shall notify the other, in writing, not less than sixty (60) days prior to the expiration of the term of that parties desire to terminate the Lease.
2. **RENT:** The Rent shall be \$100.00 *per annum* payable without demand or Notice on the 1st day of September 2013, and the 1st day of any renewal thereafter.
3. **USE OF PREMISES:** The City shall use the parking lot as parking for citizens conducting business or attending meetings at Paris City Hall and for no other purpose except with written consent of Scott.
4. **MAINTENANCE:** The City shall be responsible for the care, maintenance, and upkeep of the leased premises. The City shall keep the premises free of debris, shall mow the grass, patch or pave any such portions as necessary to maintain the parking lot, stripe off parking spaces, and take all other such necessary actions, for care, maintenance, and upkeep of the demised premises.
5. **PARKING SPACES RESERVED:** Scott shall retain for use by the adjacent property, previously known as Take Me Back Café, one (1) handicap and four (4) parking spaces that will be designated for Take Me Back Café patrons. Provided, however, that the City shall still be responsible for the care, maintenance, and upkeep of said reserved parking spaces in the same manner as provided in Paragraph 4 above.
6. **TERMINATION:** The City agrees to quit and deliver up said premises at the end of the said Term or any renewals in as good a condition as the property is now, ordinary wear and tear excepted.

In witness whereof, Smith and the City have executed this Lease Agreement on this the 5th day of September, 2013.
