

CHAPTER 2

ADMINISTRATION

SECTION

- 14-201. Cemetery Fund.
- 14-202. Administration and Management.
- 14-203. Use of Cemetery Fund.

14-201. Cemetery Fund. There shall be created within the budget for the City of Paris a separate restricted cemetery fund wherein shall be deposited all moneys from any endowment funds, trust funds, proceeds from sales of lots in city owned cemeteries, contributions made for the care and maintenance of city cemeteries, and any other moneys received or designated for the care, maintenance, and upkeep of city owned cemeteries. (Ord. #1042, 05/05/2005.)

14-202. Administration and Management. The finance director shall be designated as the custodian of all maps and the issuing and recording of deeds and causing proper entries to be made in all permanent records maintained by the City of Paris with regard to all city owned cemeteries. The finance director shall also be the custodian of the cemetery fund and shall disburse money from the cemetery fund at the direction of the Board of Commissioners. The management of city owned cemeteries shall be under the direction and supervision of the city manager, who, in turn, shall be responsible to the Board of Commissioners for direct and complete supervision of all city owned cemeteries. (Ord. #1042, 05/05/2005.)

14-203. Use of Cemetery Fund. Money from the cemetery fund shall be appropriated by the Board of Commissioners exclusively for the maintenance, repair, beautification, and keeping in good and proper condition any and all cemeteries owned by the City of Paris, together with any such city owned cemeteries that may be created in the future. Provided, however, that the Board of Commissioners may also use cemetery funds to purchase land for the creation of any future city owned cemeteries, as may be deemed necessary by the Board of Commissioners. (Ord. #1042, 05/05/2005.)
