**Public Hearing**

**1) Rezoning Request for Property at the corner of East Wood Street and Hillcrest Drive**

**Discussion:** The first comment was from citizen Jan Hiddle who lives at 39 Hillcrest Drive. She questioned concerns regarding the driveway and adjoining property owners' property value. She also stated that she would like to see screening around property.

**Response:** Jennifer Morris, Community Development Director, stated that a site plan has not been proposed yet. Kim Foster, City Manager, stated that East Wood Street is a state route and TDOT will be responsible for the drive onto that street. Fred McLean, City Attorney stated that normally in a situation like this that the ingress and egress would be on East Wood Street. Ms. Foster stated that the site plan will be reviewed by a third-party engineer once submitted for drainage and grading issues.

**Discussion:** The second comment was from citizen Phil Wichlan who lives at 1108 Grove Street and Joe Mahan. They spoke on behalf of Holy Cross Catholic Church and the Pre-K school that is held five (5) days a week. Their concern was safety issues related to traffic, the sale of alcohol near the church, and if any developments were prohibited near the church.

**Response:** Kim Foster, City Manager, stated that guidance for traffic flow was nearly impossible at this point because a site plan has not been submitted for this property. She also stated that once a site plan is submitted, it can be revised or changed before approval. Fred McLean, City Attorney, stated that B-1 Commercial is one of the broadest zones for development. Fred McLean, City Attorney stated that a liquor store must be 250 feet from the nearest property line and beer must be 150 feet from the nearest property line.

**Discussion:** The third comment was from citizen Jennifer Culpepper who lives at 42 Hillcrest Drive. Her concern was a safety hazard due to an increase in traffic on Hillcrest Drive.

RE: Public Hearing on May 5<sup>th</sup>, 2022, at 5p.m.

We the undersigned homeowners and residents on Hillcrest St. Paris, TN 38242, collectively oppose a zone change from residential to commercial zoning at the corner of E. Wood Street and Hillcrest Drive.

Traffic conditions will change. Property values will drop. Safety factors for children and pedestrians will be at risk.

We've not received any information on the intent of a driveway. A study of grade changes in the land and the flow of water. The actual street address of the building.

**AGENDA ITEM NO. 3**

**Ordinance to Amend the Fiscal Year 2022 Budget**

**DISCUSSION:** Kim Foster, City Manager stated that with the wishes of the Office of State and Local Finance, adjustments to the FY 2022 budget are contained in the ordinance presented for first reading. She went on to state that several adjustments relate to the timing of grant related projects. The timing of all grants suffered again this year from the effects of COVID and did not move at the pace like hoped. Ms. Foster stated that the overall impact of this budget amendment is a significant increase in revenues and a significant decrease in expenditures almost entirely due to an ARPE payment of almost \$1.5 million. She went on the say that only \$560,000.00 is actually expected to be spent before the end of the fiscal year.

**ACTION:** Commissioner John Etheridge made a motion, seconded by Commissioner Sam Tharpe to approve the ordinance on first reading to amend the fiscal year 2022 budget.

**VOTE:** Unanimous
