Good Morning,

I am writing to formally request a designated parking spot for Veterans Only on the east side of the Courthouse Square. This dedicated space would be a small, but meaningful, way for our community to recognize and honor the service of local veterans who utilize the courthouse and surrounding facilities. Posting this on the east side would have them close to the elevators for some of whom may have mobility challenges. To facilitate this request, I am happy to completely cover the cost of the official signage. Please let me know the appropriate specifications and approval process for the sign so I can move forward with providing the necessary funds and details.

Thank you for your time and consideration of this request to honor our veterans. I look forward to hearing from you regarding the next steps.

Sincerely,

Donna Craig
